A city to be healthy must keep its sewer system in perfect order. To be well, you must keep the human sewerage system in perfect order, the only way Father William's Indian Tea or Herb Tablets. 25 doses for 20c. Come in and try a box and be convinced. Frankfort Drug Co., Drugists.

PRISON COMMISSION CUTS OUT DRINKS.

The State Prison Commission issued the following order in regard to the use of intoxicating liquors by the officials of the two State Prisons:

"All officials and employees are hereby forbidden to solicit or otherwise interest themselves in any application for a pardon or parole, or to accept any fee or other remuneration for any convict applying for pardon or parole."

"All officials and employees are hereby forbidden to accept any loan of money or other article of value from a convict."

"All officials are hereby forbidden to use intoxicating liquors or beer either during the time they are on or off duty."

Thus it will be seen that lots of graft is stopped and the "flowing bowl" will hereafter have the "lid on tight."

A word to the wise.

DEATH FROM LOCKJAW.

Never follows an injury dressed with Bucklen's Arnica Salve. Its antiseptic and healing properties prevent blood poisoning. Chas. Oswald, Merchant, of Ronsseleersville, N. Y., writes: "It cured Seth Burch of this place, of the ugliest sore on his neck I ever saw." Cures cuts, wounds, burns and sores. 25c. at all druggists.

FRANKFORT BOY AT THE FRONT.

From a recent number of the *Laporte (Ind.) Argus-Bulletin*, we learn that Col. Upshaw Ford, a former Frankfort boy, is making good in his northern home and is one of the managers of a big inter-urban railway known as the Goshen, South Bend, Chicago and New York Railway.

The many friends of Col. Ford in his boyhood home are glad to know that he is succeeding.

DON'T FAIL TO ATTEND.

By a notice in another place, Mrs. W. B. Rodman offers for sale a large quantity of desirable and serviceable household and kitchen furniture as well as some farming implements. The sale will take place on the premises at Point Breeze, overlooking the city. The farm has been sold and possession has to be given the new owners.

Don't fail to attend. Rare bargains can be had.

"NEW MESSAGES FROM OLD MESSENGERS."

The pastors of the Christian, Methodist, Southern Presbyterian, Episcopal, and Baptist Churches of this city, after having held a consultation, have determined to introduce a new innovation as to the plan of preaching at the night services. They have arranged for a sermon at each church upon the minor Hebrew prophets, each of the ministers taking as his theme the same prophet's writings on the same evening, so that all the churches may have the benefits to be derived from a study of the teachings of these prophets on the same occasion.

The first of the series will be given on Sunday evening, December 16, and will be upon the prophecy of Amos.

These consecrated and able ministers hold a weekly minister's meeting at which they make report of their work of the week preceding, the needs of their

fields and the general plan of work for the week to follow.

We are happy to say that there is a fine spirit of brotherly love and affection between these pastors, and, better than all, an earnest determination to press forward, with renewed vigor, in the service of the Master, in whose army they are soldiers.

COMMUNICATED.

The last three editions of the *Roundabout* have been filled with wedding news. Weddings solemnized, wedding announcements, wedding suppers, dinners, luncheons, wedding departures and returns, until I wish I was again in Old Kentucky with a tin horn, a few old shoes and several pounds of rice. Lines of an old poem I used to know in the "olden golden days" kept ringing through my head. So I am sending them for the *Roundabout*. That they who wed after may read, and in reading know that in spirit I am casting shoes and rice after them wishing them all joy and happiness.

This is especially for Frankfort couples and those from neighboring towns and villages.

Here are the delightful lines:

RICE AND SLIPPERS.

Rice and slippers, slippers and rice! Quaint old symbols of all that's nice. In a world made up of sugar and spice, With honey-moon always shining. A world where the birds keep house by twos, And the ring dove coals and the stock dove coos, And maids are many and men may be choosy, And never shall love go pining.

For the rice shall be shed and the shoes be thrown, When the bridegroom makes the bride his own, He and she in the world alone.

Though many a man came wooing: He and she, and no other beside, Though the ways are long and the world is wide,

The proudest groom and the prettiest bride That ever went billing and cooing.

Slippers and rice for an omen meet, They—them out in the open street, High over heads and low under feet, Precious beyond all posies:

Glad as the king that greets the day When wedded lovers are whirled away From everlasting month of May.

Or a whole round year of roses.

Say, is she fair, the wife of an hour? She fairer was than ever the fairest flower.

Brush—white on a summer morning, Or say, is she dark? then never yet Was southern beauty with eyes of jet.

Or dusk pale eyes, or dark brunette, So lovely beyond adorning.

Is she rich? does she bring a dowry of gold? Then good is the treasure to have and to hold:

Her lover will turn to be twice as bold.

With fortune at hand to aid him: Is she poor, in all but her own fair worth?

And her lover will laugh at wealth and birth, When he owns it was she who made him.

It is well, all well, whatever she be, A queen to her Lord and to none but he—

But the sweetest sight in the world to see Is a bride in her bridal beauty:

And be, he too, is a noble sight, Who wins a prize in the world's dispute.

By his vows of love and duty. W. E. L. Odessa, Texas.

POSTMASTER ROBBED.

G. W. Fouts, Postmaster at Riverton, Ia., nearly lost his life and was robbed of all comfort, according to his letter, which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Elettie Bitters, which cured me and have kept me well for eleven years." Sure cure for Billions, Neuralgia, Weakness and all Stomach, Liver, Kidney and Bladder derangements. A wonderful Tonic. At all druggists, 50 cents.

FIFTIETH ANNIVERSARY.

Justice John M. Harlan, of the U. S. Supreme Court, and his good wife, will celebrate the half-century mark in wedded life at their home in Washington City, on Saturday, December 22.

We can hardly realize that fifty years have flown by since our Sunday-school teacher and his handsome bride came from Evansville, Ind., to their Kentucky home in this city.

The three stalwart sons, Rev. Richard D. Harlan, D. D., of Lake Forest, Ill.; Hon. Jas. M. Harlan, Interstate Commerce Commission, and Judge John Maynard Harlan, of Chicago, Ill., with their wives and children will be present.

The host of friends of this honored family will join in wishing them "many happy returns of the day."

Catarrh of the nose and throat should lead you to at least ask for a free trial box of Dr. Shoop's Catarrh Cure. "WILL JOIN BY LETTER."

Ancient the big meeting which has just closed at the First Baptist Church, little Miss Dorothy B——, a pretty tot, about five years old, was talking to her mother about people joining the church, which she had witnessed, she remarked very gravely,

"mamma when I get big I want to join the church." Her mother replied,

"Yes? darling, I hope you will be converted and baptized."

"Huh!" said the little lady, "I'm going to join by letter."

JUST WHAT OUGHT TO BE DONE.

Mayor Hume has issued the following proclamation, which it would be well for all interested parties to take into careful consideration. It is just what ought to be done:

Whereas, accidents of a serious nature have frequently resulted in past years from the use of fireworks, pistols and guns containing explosives, now by virtue of the authority vested in me as Mayor of the city of Frankfort, all persons are ordered to refrain from the discharge of such explosives on our streets except on December 25, when they may be used with due discretion. The police are enjoined to enforce this order and arrest all persons violating the same.

HONORED LADY PASSES AWAY.

We made mention, in our last issue, of the paralytic attack sustained by Mrs. Emma Jilison, and it now becomes our sad duty to announce her death, which occurred on Wednesday night.

Mrs. Jilison was 77 years of age, but had retained her physical and mental vigor to an unusual degree. She was the widow of the late Mr. R. B. Jilison and is survived by three children (Mr. R. B. Jilison, Mrs. Geo. Ireland and Miss Nellie Jilison), and a host of warmly attached friends. She had spent the whole of her long and useful life in this city. She was a quiet, modest and useful member of society. She was a devout member of

the Episcopal Church, and will be greatly missed.

The funeral services will be conducted from the family residence on High street, at 11 o'clock, this morning. Rev. A. B. Chinn officiating, after which the remains will be deposited in the family lot in our city of the dead.

FOLLOW THE FLAG.

When our soldiers went to Cuba and the Philippines health was the most important consideration. Willis T. Morgan, retired Commissary Sergeant, U. S. A., of Rural Route 1, Concord, N. H., says: "I was two years in Cuba and two years in the Philippines, and being subject to colds, I took Dr. King's New Discovery for Consumption, which kept me in perfect health. And now, in New Hampshire, we find it the best medicine in the world for coughs, colds, bronchial troubles and all lung diseases." Guaranteed at all druggists. Price 50c and \$1. Trial bottle free.

MOST SERIOUS ACCIDENT ON F. & C. R. R. FOR YEARS.

The F. & C. Railway sustained the first serious accident for years on Thursday afternoon. A freight train was passing over an iron and wood combination bridge, near Stamping ground, when a car became derailed and crushed the support of the bridge, carrying two other cars with it.

The strange part is that the engine and four cars had passed over safely and that eight cars were left on the track this side the break.

Only two of the derailed cars were loaded—one with rye and other with general merchandise.

The afternoon passenger train did not go out as the news of the wreck reached this city just as the train was pulling out.

A working train and crew at once went to the scene accompanied by the officers of the road and worked night and day on the bridge.

It was expected that the road will be ready for business again this morning and trains will go out as usual.

THE NEW CHIEF JUSTICE.

When the Court of Appeals adjourns for the holidays it winds up the September term and also the two-year term of Chief Justice J. P. Hobson as presiding judge of that court.

In the regular order of things Judge Edward C. O'Rear becomes Chief Justice when the court re-assembles in January. He will have the shortest term to sit on the bench and will be Chief Justice for two years.

Judge O'Rear is the only Republican judge upon the appellate bench.

PURE FOOD COMMISSION CAME HERE.

The United States Pure Food Commission came to this city on Wednesday evening. On Thursday morning they visited the Hermitage and O. F. C. distilleries to take observations as to the manner in which straight whisky is manufactured, stored and improved.

It looks at this time, like the straight whisky men are having their linings and that the "blendings and rectifiers" will be compelled to label their stuff just what it is.

BADLY HURT.

Mr. John Peevler, an employee at the new State Capitol, fell from the building, on Wednesday last, and was badly hurt. Necessary attention was rendered.

DOG BOOTS.

There is an exhibition at the Frankfort Drug store a set of dog boots—something entirely new in this section. They are of soft rubber and intended to be worn by a ladies pet dog when running about in the mud. They slip over the feet and are to be buttoned up several inches around the leg. They were procured in Paris, France, by Capt. Thos. C. Jones, on his way home from Funchal, Madeira Island.

Preventics, as the name implies, prevent all Colds and Grippe when "taken at the sneeze stage." Preventics are toothsome candy tablets. Preventics dissipate all colds quickly, and taken early, when you first feel that a cold is coming, they check and prevent them. Preventics are thoroughly safe for children, and as effectual for adults. Sold and recommended in 5 cent and 25 cent boxes by all dealers.

BENSONITE.

TO AILING WOMEN.

A Little Sound Advice Will Help Many a Sufferer in Frankfort.

No woman can be healthy and well if the kidneys are sick.

Poisons that pass off in the urine when the kidneys are well are retained in the body when the kidneys are sick. Kidneys and bladder get inflamed and swollen, crowding the delicate female organs nearly and sometimes displacing them. This is the true cause of many bearing-down pains, lameness, backache, sideache, etc. Uric poisoning also causes headache, dizzy spells, languor, nervousness and rheumatic pains.

When suffering so, try Doan's Kidney Pills, the remedy that cures sick kidneys. You will get better as the kidneys get better, and health will return when the kidneys are well. Let a Frankfort woman tell you about Doan's Kidney Pills.

Mrs. Timie Lagle, of 527 N. St. Clair St., wife of M. D. Lagle, proprietor of barber shop near the depot, says: "For some four or five years I hardly knew what it was to be free from an aching back, and the irregular action of the kidneys the same time caused other symptoms which were very annoying and distressing. Although I tried different remedies I was unable to find anything that would do me any permanent good until I learned of Doan's Kidney Pills and procured a box at J. W. Gayle's drug store. I had taken but a few doses of this good preparation when I realized that I was regaining my health, and on a continuation of the treatment I found my condition so much improved as to be almost beyond belief. For all of this I owe my thanks to Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

MAGNIFICENT PRODUCTION.

De Wolf Hopper in "Happyland" will be an Early Offering at Capital Theatre.

Sam S. and Lee Shubert Inc., Managers of the De Wolf Hopper Opera Co., have, with their customary lavishness, aimed high and have fulfilled their prophecies that "Happyland" would be one of the scenic sensations of the season. The splendor of the gorgeous production is even far in excess of the youthful dreams of the golden world, and the graceful draperies of the costumes of the ladies, together with the celestial soldierly uniforms of the tall, manly men, all aid in making "Happyland" a feast for the eye. The other scenes are not ignored for the dainty, bewitching, captivating, tuneful, jingling melodies permeate the atmosphere and saturate our inner lining being with martial and rhythmic feeling that compels the toes to tap in unison, and the power of speech merrily raise the voice in a well known duplication of the exquisite lyrics that are wrapped about the heart. The other side of your inner self is aroused from its slumber and is soon joining in the merry melange of mirth and melody. And when you leave the theatre, it is with a feeling that you have paid a duty that you have owed yourself, for the minutes have flown by with startling rapidity and the three hours of pleasure and happiness seem to have gone with the same startling speed that your childhood fancies credited the reindeer of dear old Santa Claus. "Happyland" transports you from this sordid, serious, monotonous hemisphere to a land where there is naught but contentment and happiness. You can return home and the usually tired brain, worried to distraction by the never ending demands of the every day life, find yourself in the realms of the joy of childhood and the brain reposes for the night in an atmosphere of joyous bliss.

"Happyland," with its tuneful music, and its drive-away-care comedian, original company numbering 100 people, will in its entirety, visit the Capital Theatre Christmas week (December 29).

TO OUR SUBSCRIBERS.

In a short time we will begin sending out our bills for subscription to the ROUNDABOUT.

We trust that our patrons will take time by the forelock and will pay up their arrearages before these reminders are sent to them.

There are a number of our patrons who owe us two or more years subscription, and, while these may be small sums to them, the aggregate to us amounts to quite respectable figures.

We do not wish to discontinue any subscription, but those who owe and will not pay, after a reasonable time, will have to be cut off.

HORRIBLE DEATH.

One of the most heartbreaking accidents that has happened in his section occurred on Sunday morning last at the residence of Mr. Neeley Cook, near the Old Crow Distillery.

It seems that Mr. Cook and his wife had gone out of the house for a short while, leaving their three-year-old daughter playing around their room. She must have gone too near the grate fire, for, shortly after they had gone out, screams were heard from the child, and a neighbor rushed in to find the little one enveloped in flames. The neighbor seized a blanket from the bed and extinguished the flames, but not before the child had been fatally injured.

All Run Down

THIS is a common expression we hear on every side. Unless there is some organic trouble, the condition can doubtless be remedied. Your doctor is the best adviser. Do not dose yourself with all kinds of advertised remedies—get his opinion. More than likely you need a concentrated fat food to enrich your blood and tone up the system.

Scott's Emulsion of Cod Liver Oil

Mental

Strain Affected General Health.

Doctor's Doses Weakened Stomach.

Dr. Miles' Nervine Cured Me.

Dr. Miles' Restorative Nervine brings rest and sweet sleep to the tired brain worn out with the cares and anxieties of the sick room.

"I have always been healthy with the exception of a touch of rheumatism since my age came on, up to the time of my husband's last illness some years ago. I assisted in nursing my husband for nearly three months when he departed this life and the mental strain I think caused my trouble. Aside from extreme nervousness my trouble commenced with sore throat and neuralgia. My physician gave me purgative doses which weakened me very much and my stomach for a time seemed inactive. Mental strain and the dormant condition of my stomach soon told upon my general health. I had little appetite and was soon forced to stay in bed a greater part of the time. Within a week after the time I began taking Dr. Miles' Restorative Nervine and Tonic I was up about the house. I continued their use until completely cured. My faith in Dr. Miles' Remedies has been strengthened by experience of other people, our daughter having used Restorative Nervine with splendid results in a case of paralytic and a friend to whom I sent a box of the Anti-Pain Pills reports that she has been completely cured of neuralgia by their use. I know of a number of others whom your medicine has helped in a large degree. I wish you continued success."

"TRAVELING ART GALLERY."

The Ladies Club were fortunate enough to obtain an exhibit of the "Traveling Art Gallery" of the Federation of Women's Clubs in the new rooms of the City School on Tuesday and Wednesday of this week.

It afforded a rare opportunity for our citizens to view some of the finest works of art now in this country.

The Ladies Club deserve great credit for obtaining this display for the enjoyment for our citizens.

NUISANCE THAT SHOULD BE ABATED.

The pavement belonging to the city, from the corner of Wapping and St. Clair to the bridge is a horrible condition. It is in hills and hollows, so that, when a heavy rain falls there are a score of puddles of water that are nuisances, especially to ladies passing that way. One, in particular, is about five or six feet wide and nearly the same in length, which requires one, in order to avoid it, to walk clear out onto the brick carriage way. It was fully illustrated on Monday morning, while the heavy rain was falling.

We would respectfully call the attention of the city authorities to this, and suggest that it be remedied before the hard winter weather comes on.

Later—The big puddle has been remedied, but the little ones remain.

They Stand Alone.

Standing out in bold relief, all alone, and as a conspicuous example of frank and honest dealing with the sick and afflicted, are Dr. Pierce's Favorite Prescription for weak, overworked, debilitated, nervous, "run-down," pain-racked women, and Dr. Pierce's Medical Discovery, the famous remedy for weak stomach, indigestion, or dyspepsia, torpid liver, or biliousness, all catarrhal affections whether of the stomach, bowels, kidneys, bladder, nasal passages, throat, bronchitis, or other mucous passages, also as an effective remedy for all diseases arising from thin, watery or impure blood, as scrofulous and skin affections.

Each bottle of the above medicines bears upon its wrapper a badge of honesty in the full list of ingredients composing it—printed in plain English. This frank and open publicity places these medicines in a class all by themselves, and is a sure guaranty of their merits. They cannot be classed as patent secret medicines for they are neither—being of known composition.

Dr. Pierce feels that he can afford to take the afflicted into his full confidence and lay all the ingredients of his medicines freely before them because those ingredients are such as are endorsed and most strongly praised by scores of the most eminent medical writers as cures for the diseases for which these medicines are recommended. Therefore, the afflicted do not have to rely alone upon Dr. Pierce's recommendation as to the curative value of his medicines for certain easily recognized diseases.

..DEATHS..

KAGIN—In this city on Tuesday, Mrs. Elizabeth Kagin, aged 66 years, from a stroke of paralysis.

Mrs. Kagin was a splendid woman, energetic, loving, true and tender. She was a devout Christian and member of the First Presbyterian Church. She arose that morning at her usual hour and went about her domestic duties at the home of her son-in-law, Mr. L. Suppinger, and was stricken when alone. Her grandchildren discovered her condition and physicians were at once summoned, but without avail, as she did not recover consciousness, and passed away in a short time.

Mrs. Kagin's maiden name was Burgin, and she was thrice married in Germany, before coming to this country. By her first husband, Mr. Christian Weber, she had two sons—August and Louis Weber. By her second husband, Mr. Albert Sutterlin, she had two children—Mr. Fred Sutterlin and Mrs. Louisa Neff. By her third husband, Mr. Urban Kagin, she had five children—Mr. Carl Kagin, Mr. G. E. Kagin, Miss Emma Kagin and Rev. Edwin Kagin. Miss Emma married Mr. Lambert Suppinger and has passed away, leaving five small children, and with whom Mrs. Kagin has been living and tenderly caring for ever since their mother died.

Mrs. Kagin was universally beloved by all who knew her.

The funeral services were conducted from the First Presbyterian Church, on Thursday morning, at 10:30 o'clock, Rev. Dr. J. McCluskey Blaney, former pastor, conducting the services.]

NELSON—In Newport, on Monday night, at the residence of his son, Mr. W. A. Nelson, Mr. E. C. Nelson, aged 81 years.

Mr. Nelson was the father of Mr. Chas. E. Nelson, of this city, and of the late Mr. C. A. Nelson. He was a pioneer cooper in this section and lived for many years at Richmond and Silver Creek, in Madison county. He was an upright, honorable gentleman in all his dealings.

He leaves three sons (Messrs. William, Charles and George Nelson) to mourn his death.

The remains were brought here on Wednesday morning. The funeral took place from the Cemetery Chapel (conducted by Rev. J. O. A. Vaught, of the Methodist Church), and the interment was in the family lot in our cemetery.

CULTER—In this city, on Saturday morning, Mrs. Malvina J. Culter, wife of Mr. Henry Culter, aged nearly 83 years.

Mrs. Culter was a modest, earnest and devoted Christian, a member of the Methodist Church from her girlhood.

She was raised in Ohio and was married to her husband in 1848. Their union was a peculiarly happy one. There were born to them four sons, of whom three (Messrs. J. H. Culter, W. M. Culter, Sr., and E. H. Culter), together with her aged and devoted husband, survive to mourn the death of a self-sacrificing and devoted wife and mother.

For more than 25 years Mrs. Culter had been practically an invalid, but through it all she was cheerful and uncomplaining at the dealings of her Heavenly Father, and when her pastor asked as regards her hopes for the great beyond, [she cheerfully tes-

tified to the power of redeeming grace, and peacefully passed to her home on high, with the happy expression "Oh! yes! All is well."

The funeral services were conducted on Sunday afternoon from the family residence, on Logan street, by Rev. J. O. A. Vaught, of the Methodist Church, and the remains were laid away in the family lot in our city of the dead.

Messrs. C. C. Furr, Clarence Gayle, W. H. Jeffries, A. B. Hammond, Geo. A. Lewis and J. B. Lewis were the pallbearers.

LeCOMPTÉ—In this city, on Thursday, Mrs. Ellen LeCompte, wife of Mr. Wm. LeCompte, aged 67 years, of acute rheumatism.

Mrs. LeCompte was a devout member of the Methodist Church. She leaves a husband and four grown children to mourn her death.

The funeral services were conducted from the residence of her son, on the South Side, yesterday at 12:30 p. m., by Rev. J. O. A. Vaught, and the interment was at Antioch Church.

CHURCHILL—At her home in Louisville, on Wednesday, Mrs. Amelia Churchill, widow of the late Hon. Saml. B. Churchill, aged 87 years.

Mrs. Churchill was a charming and gracious lady of the old school—well known to our older people, because of her residence in this city when her distinguished husband was Secretary of State.

STOP THE SPITTING ON PAVEMENTS.

We have noticed, on several occasions lately, groups of men standing upon the corners of prominent streets and expectorating tobacco ambler all over the pavements, to the disgust of ladies and the detriment of their skirts. This is a growing evil.

It would be a good idea for the City Council to follow the example of other cities and pass an ordinance inflicting a substantial fine for the first offense to a larger one for succeeding offenses. Then it would be up to the police to see that the ordinance was strictly enforced and thus produce cleanliness, especially at the street corners in place of the present disgusting streams of ambler running from one side of the pavement to the other.

We know we voice the sentiments of the ladies of our city in this matter.

PRETTY VIOLINIST WEDS SURGEON.

Omaha, Nov. 24.—A romance, which started in San Francisco last June, culminated in Trinity Cathedral here Friday when Leonard Samuel Hughes, an army surgeon, who was recently stationed in San Francisco, was wedded to Argyra Kastorn, the pretty Greek violinist of the Orpheum circuit.

Their engagement has been kept so secret that even their friends and associates knew nothing of it. Hughes arrived in Omaha this morning and hurried arrangements were made for the ceremony. Friends from the theater accompanied the couple to the cathedral and witnessed the rites and the happy bride hurried back from the church to the theatre to prepare for her part in tonight's programme.

Mr. Stevens, a cousin of the bride, was present at the wedding. Dean Beecher performed the ceremony. Hughes gave his residence as Frankfort, Ky., and Miss Kastorn, whose real name is given on the license as Marguerite Mercedes Von Petric, said her home was in San Francisco.

Dr. Leonard Hodges Hughes is the oldest son of Mr. Jas. W. Hughes and wife, of Woodlake, this county. He is a surgeon in the U. S. Army. He and his bride will visit his parents in the near future.

The end has come to a romance of the long ago when Mrs. Canada Rodman Hindman was granted a divorce from Col. Biscoe Hindman, of Louisville, on Wednesday. She was restored her maiden name of Canada Rodman.

This couple were sweethearts when they were attending school. I is an unspcakably sad ending to a pretty romance.

ADAMS EXPRESS COMPANY.

Superintendent's Office,
Cincinnati, Dec. 10, 1906.

The following suggestions are made as very necessary to successful shipping by express during the holiday season:

1. Ship your packages early, today if possible. The express company will give you a small label to paste on the package reading "Don't Open Until Christmas." This will insure the package reaching its destination before Christmas and the additional pleasure to the recipient of the gift of having it Christmas morning.

2. Use wooden boxes for packing. It may cost a few cents more, but the danger of loss or damage is very much reduced. True, if the shipment is lost or damaged, the express company will pay for it, but that will give your friend no pleasure.

3. Write the address in full—county, street and number—on the box with ink or crayon. Tags are frequently torn off and lost.

4. If you want to prepay the charges write the word "Paid" in large letters on the package.

5. Insist upon a receipt and see that the amount paid is on the receipt, and value of the package declared thereon.

6. Write your own address in full somewhere on the package, following the prefix "From," and enclose a card in the package bearing your address that you may be notified in the event of loss of consignee's address.

7. Use strong wrapping paper (not newspaper) if not convenient to ship in wooden boxes, and tie with a strong cord.

8. If package contains anything of perishable nature, write the word "Perishable" in large plain letters on the box or package, to insure special attention for its delivery.

If you will observe these suggestions you will greatly assist in assuring prompt delivery of your gift in good condition.

Yours truly,

K. SAKFORD,

Superintendent.

Greter, the accomplished photo artist, has recently had placed in his photographic studio, on St. Clair street, a very brilliant and electric light by the aid of which he can print his photographs and make studies at night as well as on the brightest day. The light is very white and steady and just suited to the purpose. With one of these lights installed the skylight can be dispensed with.

"DANDY DIXIE MINSTRELS."

Greatest Colored Aggregation
Now on Tour Comes to Capital
Theatre Tuesday, December 18.

Following an almost unprecedented run at the New York Theatre Roof Garden, last summer, Violellet & Nolan's latest offering, the Dandy Dixie Minstrels, will be the attraction at the Capital Theatre next Tuesday, December 18, for one performance only.

The Dandy Dixie Minstrels is said to be the largest organization of colored performers on tour this season, comprising 30 comedians, singers, dancers and musicians together with the famous "Cotton Pickers Band" of solo musicians.

The performance offered by the Dandy Dixie Minstrels begins with a new and novel spectacular first part for which the elaborate mountings and electrical effects are said to have cost in the neighborhood of \$10,000. In this part of the entertainment, James Crosby, the inimitable comedian, known as the Tall Talker, is the principal and man.

The olio is replete with specially imported European feature acts of which the most noted are: Campbell Bros., an original Rag-Time Comedy Musical Act; Toney Trio, Daze-Devil Acrobats; Bonny Jones, the Tossie Tossie; Richard Barrett, the Greatest Colored Baritone; H. S. Wooten, the Indian Territory Tamer; John Prampin, a comic dramatic juggler; the Oklahoma Octette, and the famous "Cotton Pickers" Band, directed by Robert Leach, the colored Creator; following the Dixie College Lancers' rendition of "Varsity Class Songs," there is to be a buck dance contest open to all comers for valuable prizes.

Following this extensive olio the performance concludes with a furiously funny fantasy, "A Fowl Deal," in which Charles Williams assisted by the entire company, plays the leading comedy role of "Judge Yazoo" affording the funniest colored man alive an opportunity to render his parodies and laughable monologues.

Directly following the American engagements of the Dandy Dixie Minstrels, which conclude June 30, 1907, the company will make a tour to Europe, Asia, South Africa, Manila, Hawaii, and return via San Francisco.

CHRISTMAS

At the McClure Store.

The Holiday spirit Prevades the Entire McClure store.

Never have stocks been so large and selections so pleasing. We have used every exertion to make this Christmas at McClure's one to be long remembered, and the variety of beautiful, useful and unusual gifts are so large that gift buying here is a real pleasure, whether you wish an inexpensive remembrance or a luxurious gift for the friend for whom nothing can be too good. Note especially the unprecedented display of handsome Suit Cases and Bags, the extraordinary showing of fine Silk Umbrellas, the luxurious Smoking Jackets, and the really startling line of Ties and Mufflers.

Dress Suit Cases and Bags.

The leather goods store probably deserves first mention for the stocks of Bags, Dress Suit Cases and Trunks are really unusual in completeness and variety. From a sole leather Case at \$5.00 up to the luxurious leather lined and fitted Case at \$30.00, there is everything a traveler could desire and a handsome piece of traveler's goods is something every man or woman desires.

Smoking Jackets and Bath Robes.

Get a man in the habit of wearing these and he will remember the particular gift which starts him in the habit with more pleasure than any Christmas remembrance ever given him. And then the selection here from which to choose. Bath Robes, beginning at \$4.00, Smoking Jackets at \$5.00, and then up to \$12.00. It will find a soft spot in the heart of that man sure.

Silk Handkerchiefs, Linen Handkerchiefs.

It's worth a trip to the McClure store just to see the colored Silk Handkerchiefs. Pattern after pattern here beginning at 25c and on up to \$2.00, and each more striking than the other. Whatever you overlook don't fail to see these gorgeous Silk Handkerchiefs. Their splendid qualities in plain white silk so pleasing to many men, at from 25c to \$1.50.

Then beautiful Sheer Linen Handkerchiefs at 25c, 35c and 50c, plain whites, initials and some beautiful colored patterns. Cambrie initial Handkerchiefs at 15c. This Handkerchief stock is a wonder.

Slippers.

Rest for the tired feet after days work is over. The comfortable Slipper will bring a smile to the face of a man or woman lucky enough to receive a pair for Christmas. Leather and felt Slippers are here in great variety and all at moderate prices.

Magnificent Silk Umbrellas.

Umbrellas, always an important Christmas stock here, are this season given a showing worthy of a page talk in themselves. The real Christmas novelties begin at \$3.00, at which price there is a wide range of sterling and gold plated and gun metal handles from which to select, and then right on up to \$20.00. There are handles of stag, of sterling silver, of enamel, ending at the highest price with ivory handles, hand carved in Quaint, Japan, and having the finest silk covers. Don't fail to see these Umbrellas.

Ties and Mufflers.

Do you know that this furnishing goods store is the store of Central Kentucky for men's fixings? Well, it's a fact and the Ties and Mufflers selected for this holiday season are wonderful. You can't describe neckwear in an advertisement, but they are bewildering in profusion. Then the Mufflers, such rich silks are unusual—solid black, gray and white predominate in colors and they are all long and full enough to give the wearer ample protection. Ties, 25c to \$2.00. Mufflers, 50c to \$3.00.

Suspenders and Sox.

Holiday Suspenders in appropriate boxes, at 50c, \$1.00 and \$1.50. Fancy Sox which always come in right for Christmas at 25c and 50c.

Shirts and Gloves.

Ever know a man who had enough of either? Plain and pleated bosom Shirts here in novelties, especially suited for Christmas at \$1.00 to \$2.00. Special cape and mocha Gloves at \$1.00. Towns at \$2.00 and up, warm fur lined at \$3.50 and \$5.00.

CHRISTMAS NOVELTIES.

Now read this closely, for here is the greatest money saving opportunity we have ever been able to offer. Christmas novelties at 60c on the dollar, because carried over. Last Christmas our store was so crowded that we were unable to even unpack a great part of our holiday goods, so this season our store being even more crowded, we have fixed up a room upstairs with all those pretty things we could not show last season. They are just as fresh and perfect as if bought this season. A great part of them were not on display last season, but the McClure policy of absolutely fair dealing says, "mark them at very low figures just because carried over." Now that room upstairs is full of about as many pretty Christmas things as you ever saw. You have no idea of how many gifts there are, the prices

JUST 60 PER CENT. OF THEIR VALUE.

And there is almost everything imaginable from a 25c Basket to a \$15.00 Toilet Set, and every article at just 60 per cent. of its real value. Come early while the prettiest things are all here, and while you can shop in leisure not possible later on. Handsome Vases, Jardinieres, Baskets, Toilet Sets, Manicure Sets, Mirrors, Medallions, Ink Stands, Paper Weights, Albums, Handkerchief Boxes, Glove Boxes, Picture Frames, Dolls.
